Reactions

Focus on what the student(s) need more

Say "it was all planned"

Change their grades to suit your feelings

Tell the student(s) they are a nuisance

Find the educational value in the wish

Make up lies

Make the wish a reward for doing something else

Think "everyone's intitled to their opinion"

Tell them to get back to work

Give different projects to the student(s)

Reactions

Let the student(s)
catch up on their own

Create a new
addictive tool to help
the student(s)

Tell them to calm
down

Join in!

Say "Let's take this
outside"

Make a lesson on the
bad effects of their
actions

Stare at the student(s)
until they back down

Pay the offender(s) off

Rock, paper, scissors
to decide the leader

Calmly make your
counterpoint

Reactions

Let the student(s) have
their way

Think "It's party time"

Think "If I don't believe
it, it won't hurt me"

Say "That's what I
thought"

Say "what do you want
from me"

Tell them you're
always watching

Tell them "Good job"

Review the past
offences and base
decisions on that

Keep the student(s) on
task

Take actions and do
something

Reprimand the
offender(s)

Let them eat cake!

Support the student(s)
through tutor
opportunities

Call the parent(s)

Slow the class down
for the student

Kick them out of class

Don't bend to the will
of the student(s)

Ask them to explain
themselves

Force them to listen to
you

Do show and tell

Wrap the lesson
around their needs

Call home and see if
parent's can explain

Tell them your class is
important

Change the lessons to
be more individualized

Agree with the
student(s)

Write a letter to the
Board of Education

Conduct your own
research to find the
truth

Try to get everyone to
the same place

Ignore the textbook
answer

Give the student(s)
harder materials

Call security

Accept this as fact

Make a project out of
their interests

Find the updated
material

Tell them to find the
information
themselves

Get the class to write
cards to send

Lead the student(s) to
some references

Continue teaching

Calmly explain the
school disciplinary
actions

Stalk the student(s) to
find the problem
